

User Portal - FAQ (Phase 1 Matters)

Matheus Guilherme Brito - 2024-09-04 - Comments (0) - ESO User Portal

ESO User Portal Frequently Asked Questions

Phase 1 Matters (Proposal Submission, Time Allocation)

- **Why do you ask me to supply scientific and technical keywords?**

These keywords allow us to better characterise our users, in particular for use in matching proposal referees to proposals.

- **How can I access my WebLetters through the User Portal?**

After logging into the User Portal (<http://www.eso.org/UserPortal>) in the main screen you will see a card labelled, "Phase 1". Within that card you will see the link, "Check the time allocation information". Clicking on that link will give you access to your WebLetters.
